

After fourteen wonderful years, Aunt Mary's Cafe has closed our doors! Our last day was Sunday, November 6th.

Though we're sad to go, we are so grateful for the community we've built along the way. It has been an honor to share this stretch of Telegraph Avenue with y'all over the past decade and a half — we will definite miss your coming in for those hot dishes of Bubble & Squeak!

Please take good care of yourselves & your families! And keep an eye out for the next best thing that come into our space within the next few months!
